

HGMS School Daze General Information

1. Students that come in groups need to line up outside the entrance while the primary contact person checks in at the west door to the Humble Civic Center. Please have additional parents and chaperones wait with the students so the check-in area doesn't become congested.
2. The primary contact person will be given an envelope containing enough Scavenger Hunts for each student. These are the lessons for the day. In the packet will also be maps to show you the route your scavenger hunts will take throughout the show. For larger home school groups, we have made enough maps for a teacher/student ratio of 1:4.
3. Scavenger Hunts for different grade levels have different routes to minimize the likelihood that any one area becomes overcrowded. In the event of the simultaneous arrival of many classes of the same grade level, we may need to stagger entry.
4. We encourage the larger home school groups to break up their students by scavenger hunt (i.e. grade level). That way they will be allowed to go through the show in the desired route. If you are a smaller group containing different scavenger hunt levels, you can proceed as best fits your situation.
5. Dealers encourage questions. Many dealers will have touch items for students to explore. However, some have expensive specimens and do not allow touching. Please **ask** before allowing students to touch items.
6. As a teacher, please guide your students in learning how to observe. Remember, observing is collecting data with the senses. This is a major part of the TEKS that public schools follow.
7. Games are available in the Youth Section. These games cost \$.25 a play. If you have time, your students may participate in the games.
8. Students may bring money to purchase items at the show .
9. Running and horseplay are not allowed. Our chief of security will ask that you remove any student creating a disturbance.
10. Backpacks will not be allowed in the show. We have had problems with them in the past. Please leave them in your car.
11. Any student caught shoplifting will be removed from the show. We have police on-site and they will be called in the event of any unlawful behavior.
